

Manufacturing strengthens our economies and offers a broad range of careers.

Whirlpool Manufacturing invests in the communities where we work and live.

Whirlpool Manufacturing supports environmental sustainability and zero waste to landfill in every region.

**96%** recycling rate in 2019 in Whirlpool Corporation manufacturing facilities worldwide

**All 36** of our manufacturing plants in 13 countries embedded World Class Manufacturing methodology in operations

**8** of our manufacturing facilities achieved zero waste to landfill, with 2022 target for all plants

**50%** targeted reduction of greenhouse gas emissions (GHG) in our manufacturing plants by 2030

**3,500** homes = electricity saved through wind energy used by four North American facilities

## WHIRLPOOL CORPORATION MANUFACTURING Improving Life at Home

**100%** of our operations are active in volunteering and philanthropy in the local communities where our employees live and work

**400,312** employee volunteer hours were reported in 2019

**\$110M** committed to Habitat for Humanity International®

**104K** families impacted through our Habitat for Humanity International® relationship
